

VALIDITY CHECK ON ALL BATTERIES AND HRU DURING ANNUAL PERFORMANCE TEST (APT)

VDR Models: HLD-A2/S/B2/S2/VDR600/SVDR600

Dear Agents and Partners,

Please be informed that with effect of 1st September 2022, all approved inspectors are to ensure that the battery/HRU expiry of the following to have a minimum of **3 months** validity at time of APT.

- 1. Underwater Locating Beacon ULD-601**
- 2. VDR Reserve Power Source**
- 3. FFC Battery**
- 4. FFC HRU**

Kindly note that if non-compliance is detected, the CoC will not be issued until the battery/HRU is replaced within 1 month from time of APT.

Thank you for your attention.
